At Salon Mondial in Münchenstein (Basel, Switzerland), Atelier Mondial is showing a group exhibition with its current guest artists. Curator Alys Williams (Director VITRINE Gallery, London/Basel) has woven a thread between the artistic languages and the works, dealing in different ways with topics such as memory, time and journey. The show features works by Yornel Martinez Elias (Havana), Eduardo Navarro (Buenos Aires), Brad Rimmer (Fremantle), Cao Shu (Shanghai), and Charlie Godet Thomas (London).
